AHCA does **not** recommend one vendor over another. Vendors are listed in alphabetical order.

<sup>1</sup> AHCA does **not** attest that these Vendors' solutions are completely able to meet all the of the CMS requirements for submitting data but AHCA members who are vendors have indicated that they have been able to successfully submit data to CMS during the voluntary period working with one of these vendors. There may be other vendors with solutions that are successful as well but we have not heard from members about them. If you are aware of a Vendors not on this list please contact Sharon Purvis – [spurvis@ahca.org](mailto:spurvis@ahca.org)

<sup>3</sup>Vendor claims they have a solution, but AHCA has not heard from a member to verify they have been able to successfully submit data to CMS using the solution.
